

CENTRE UPDATE – NOVEMBER 15, 2024

Reminders & Centre Info

We are moving

the Centre will be moving to its new location in mid-December.

Our last open day at 5006 Roblin Blvd. will be Friday December 13th.

Our new location at 357 Oakdale Drive will be open in early January (exact date TBD)

January classes will start on Monday, January 13th at the new location.

Our phone number remains the same 204-897-5263.

Please be patient. We are doing our best to make the transition to our new location as smooth as possible.

Winter 2025 Programming

The newsletter and calendar for the next session will be available mid-December and I will confirm the exact date once I can.

I appreciate that people are eager to know what's on offer and whether their favourite class or program is returning but, as much as I would like to, I simply cannot schedule based on everyone's individual needs and preferences.

Registration will open the week of January 6, 2025, and programming will start the following week on Monday, January 13, 2025.

The programming in the current session ends Friday December 13, 2024.

Last Tech Talk of the year!

Tech Talk with Lloyd Gwilliam DROP IN - No registration required. No cost to attend.

A few funnies for your enjoyment

- Did you hear about the chef that died? He ran out of Thyme
- I always take my wife morning tea in my pyjamas. But is she grateful? No, she says she'd rather have it in a cup
- What do you get if you cross a sheepdog with a rose? A collie-flower
- A man has been filmed on CCTV stealing police car tires. The Police are working tirelessly to catch the thief
- To whoever stole my copy of Microsoft Office: I will find you. You have my Word!
- What do you call fifteen rabbits hopping backwards? A receding hare line
- If I had to get rid of one part of my body, it would be my spine. Sometimes I think it's holding me back
- As I was late to the cannibal feast, I was given the cold shoulder
- I arrived early at the restaurant last night. "Do you mind waiting for a bit?", the manager asked. "Not at all" I replied. "Good, take these drinks to table 9"
- The man who invented throat lozenges died recently, there was no coffin at the funeral
- There's a new a travel guide highlighting towns and cities with badly laid paving slabs. It's called TripAdvisor
- I see they've invented a new game, called 'Quiet tennis', it's just like normal tennis, but without the racket
- How should you carve wood? A whittle at a time
- What do you call a man with a pole through his leg? Rodney

Have a wonderful weekend.
